FAR HILLS RACE MEETING
— 103RD RUNNING —

LETTER FROM THE CHAIRMEN

Dear Friends,

It is our great honor to welcome you back to the 103rd Running of the Far Hills Race Meeting. Moorland Farm holds a special place in the hearts of many, as each year, tens of thousands of spectators come together to witness some of the most exhilarating and historic steeplechase racing in the world. But beyond the excitement of the races, this event has become the cornerstone of cherished family traditions, passed down through generations. It's a place where camaraderie fills the air, and celebrations bring together family, friends, and even strangers—creating memories that last a lifetime.

As we gather today, it's important to reflect on the incredible impact we've made together. Thanks to your support, we are proud to have raised over \$20 million, directly benefitting healthcare in the region and transforming the lives of thousands across New Jersey. This year, the races will support the work and missions of our five dedicated beneficiaries: RWJ Barnabas Health Somerset, Crossroads4Hope, Community in Crisis, LifeCamp, and Bonnie Brae.

We're sincerely grateful to our long-time sponsor and friend of the Far Hills Races, Open Road Auto Group and the Ryan family. Their steadfast support year after year has allowed us to continually raise the bar, growing together to create unforgettable experiences at Moorland Farm.

Across the track, you'll see the "The Hunt Club," provided by Penelope Bourbon, is back and expanded for its second year. This exclusive area, for guests 21 and over, offers a new way to enjoy the day without having to create a tailgate of your own. Guests can enjoy unbeatable views along the race rail, delicious food, cocktails, music, and games. Plus, this year we've added exciting new experiences, including Virtual Reality horse racing brought to you by America's Best Racing.

This year's race promises to be unforgettable, with a six-race, all-stakes card totaling \$700,000. We're thrilled to debut a new race in honor of the legendary McDynamo, known as the "King of Far Hills," alongside the much-anticipated American Grand National. We're pleased to extend our partnership with the New York Racing Association for another year and with FOX Sports, enabling racing fans worldwide to watch the excitement live. Additionally, everyone can join in on the betting action through the 4NJBets app for pari-mutuel wagering and the Monmouth Park app for fixed odds betting.

Thank you for being part of the legacy at Moorland Farm. We hope you enjoy a memorable day of racing and celebration with family and friends.

Sincerely,

Guy J. Torsilieri

FAR HILLS RACE MEETING

CARING ABOUT THE COMMUNITY

At The Far Hills Race Meeting, tradition isn't simply about bringing family and friends closer together, it's about being a vital part of the community and lending a helping hand. Over the years, with the help of our sponsors, we have raised more than \$20 million for local health care initiatives, including medical care and cancer treatment, supporting at-risk youth and serving children and adults with intellectual and developmental disabilities.

HERE'S HOW THE CHARITIES WE SUPPORT PLAN TO USE FUNDS RAISED FROM THIS YEARS RACE:

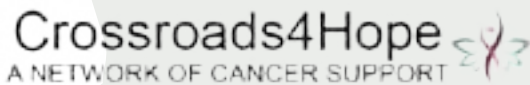

Robert Wood Johnson University Hospital Somerset

Robert Wood Johnson University Hospital Somerset: The Far Hills Race Meeting Association donation through the Somerset Health Care Foundation, the hospital's fundraising arm, will enable RWJUH Somerset to continue to provide Steeplechase Cancer Center patients with comprehensive cancer treatment within a calm, compassionate and patient-focused environment while providing solutions for the unique challenges cancer patients face. Funds will be used to support patients in active treatment with expenses such as groceries, medical and utility bills, Paxman cooling cap services to help prevent treatment related hair loss, and items like mastectomy bras and compression sleeves.

Community in Crisis

Community in Crisis: Support from the Far Hills Race Meeting Association helps fill a significant gap in funding of recovery support programs and services. 1 in 10 of people in the US are in recovery from a substance use disorder but receive little to no support. Our Community in Connection programming helps the recovery community enjoy healthy rewarding lives by providing recovery-friendly activities. In 2023, we attracted 495 unduplicated participants to 174 recovery-friendly events and activities, offering an individualized, authentic, and innovative pathway of recovery in which community comes together AND stays together!

Crossroads4Hope
A NETWORK OF CANCER SUPPORT

Crossroads4Hope: With funding from the Robert Wood Johnson University Hospital Somerset - Far Hills Race Community Partnership, Crossroads4Hope will focus on greater multicultural outreach, providing educational and culturally appropriate programs to cancer patients and their families (with a special emphasis on children) who come from traditionally under served communities.

Bonnie Brae

Bonnie Brae: Bonnie Brae will support its new Family Resource Center, With funding from Far Hills Race Meeting, which serves families affiliated with the organization and those from the surrounding community. The partnership will also support integrated health and wellness training and education in the larger community.

LifeCamp: A summer camp serving underprivileged children from greater Newark – will use funding from Far Hills Race Meeting to fund the LifeCamp infirmary and its aquatics program. LifeCamp serves 300 children a day, offering 90 minutes of pool time a day. Many inner-city children suffer high rates of childhood obesity, and swimming is an ideal activity for both recreation and exercise.
