AWARD-WINNING

LETTER FROM THE CHAIRMEN

Dear Friends,

It is our privilege to welcome you back to Moorland Farm for the 104th running of the Far Hills Race Meeting.

Each fall, thousands of guests gather here to enjoy some of the world's finest steeplechase racing, celebrate generational traditions, and—most importantly—create memories that last long after the day ends.

With a \$775,000 purse at stake, highlighted by the iconic American Grand National, today's six-race card promises an unforgettable afternoon. Thanks to our continued partnership with NYRA and FOX Sports, the Far Hills Race Meeting reaches more viewers each year through America's Day at the Races. We are proud to welcome their team back, broadcasting live from just outside the race tower.

As you hear the bugle call to post and feel the energy before each race, we ask you to remember what race day is truly about: giving back. Every ticket purchased, every wager placed, and every sponsor and vendor helps support healthcare and community initiatives across our region. To date, more than \$22 million has been raised, positively impacting countless lives.

This year, we are proud to share two milestones that deepen that legacy: RWJ Somerset has renamed its Oncology Patient Cancer Assistance Fund to the "Far Hills Race Meeting Oncology Patient Assistance Fund", where 100% of donations go directly to patients and families to help cover expenses not covered by insurance. In addition, we have pledged \$1.25 million to RWJ Barnabas Health Somerset over the next several years to support this vital fund. These efforts—along with contributions to Crossroads4Hope, Community in Crisis, LifeCamp, and Bonnie Brae—reflect the meaningful impact your generosity and attendance makes possible.

We also extend special thanks to our longtime sponsor of more than 40 years, Open Road Auto Group. Their unwavering commitment to our mission and to the traditions of the Far Hills Race Meeting makes everything we do possible. To Rod and Dianne Ryan—thank you for being more than sponsors. You are family.

Each year, we look for ways to enhance the race day experience, and this year brings exciting updates. The Hunt Club, just across the track, has been elevated to a fully all-inclusive experience with unlimited food and drinks, live music, games, and unbeatable rail-side views. Be sure to explore Vendor Village, now bigger than ever, enjoy local food trucks, and take in everything that makes the Far Hills Race Meeting such a timeless tradition.

Thank you for your support and for being part of this incredible day. Enjoy the races!

Sincerely,
Guy J. Torsilieri & Ronald A. Kennedy

CARING ABOUT THE COMMUNITY

At The Far Hills Race Meeting, tradition isn't simply about bringing family and friends closer together, it's about being a vital part of the community and lending a helping hand. Over the years, with the help of our sponsors, we have raised more than \$22 million for local health care initiatives, including medical care and cancer treatment, supporting at-risk youth and serving children and adults with intellectual and developmental disabilities.

HERE'S HOW THE CHARITIES WE SUPPORT PLAN TO USE FUNDS RAISED FROM THIS YEARS RACE:

Robert Wood Johnson
University Hospital
Somerset

Robert Wood Johnson University Hospital Somerset: The Far Hills Race Meeting Association donation through the Somerset Health Care Foundation, the hospital's fundraising arm, will enable RWJUH Somerset to continue to provide Steeplechase Cancer Center patients with comprehensive cancer treatment within a calm, compassionate and patient-focused environment while providing solutions for the unique challenges cancer patients face. Funds will be used to support patients in active treatment with expenses such as groceries, medical and utility bills, Paxman cooling cap services to help prevent treatment related hair loss, and items like mastectomy bras and compression sleeves.

For Prevention
And Recovery

CIC for Prevention & Recovery: Support from the Far Hills Race Meeting Association (FHRMA) allows us to directly improve the lives of thousands of individuals and families right here in Somerset County. According to a 2024 analysis, 1 in 6 Americans have a substance use disorder and 1 in 10 are in recovery, yet support for these individuals is extremely limited; our Community in Connection programming helps those in and seeking recovery enjoy healthy, rewarding lives by providing recovery-friendly activities. Thanks to FHRMA's support, we offer an individualized, authentic, and innovative pathway of recovery in which community comes together AND stays together!

Crossroads4Hope: A grassroots organization founded 24 years ago in Bedminster, New Jersey, Crossroads4Hope is dedicated to ensuring no faces cancer alone. With generous support from the Robert Wood Johnson University Hospital in Somerset - Far Hills Race Community Partnership, CR4H offers free, in-person and virtual, educational, support, and empowerment programs and resources for all people impacted by cancer – those diagnosed and survivors, their families, and caregivers. "Once cancer is part of your life, so are we."

Bonnie Brae

Bonnie Brae: A 24/7 residential treatment center and special education school will use funding from Far Hills Race Meeting to support integrated health and wellness training and education for the youth we serve. The partnership will also support our Family Resource Center and help us to empower youth and families to achieve small victories every day through comprehensive care and education.

LifeCamp: A summer camp serving underprivileged children from greater Newark – will use funding from Far Hills Race Meeting to fund the LifeCamp infirmary and its aquatics program. LifeCamp serves 300 children a day, offering 90 minutes of pool time a day. Many inner-city children suffer high rates of childhood obesity, and swimming is an ideal activity for both recreation and exercise.
