FAR HILLS RACE MEETING

105TH RUNNING

LETTER FROM THE CHAIRMEN

Dear Friends,

Welcome to the 105th running of the Far Hills Race Meeting. Each October, tens of thousands of racegoers gather at Moorland Farm to celebrate one of New Jersey's most cherished traditions. Families and friends reunite, new memories are made, and the excitement builds as some of the finest horses and jockeys in the sport take to the race track. We are proud to welcome you to another day of racing, camaraderie, and tradition.

This year's six-race card is highlighted by the iconic American Grand National, with a total of $825,000 in purses on the line. We encourage you to follow the day's post times and visit 4NJBets and NYRA Bets to enjoy the excitement of wagering responsibly.

But when the bugle sounds and the field heads toward the first fence, remember that the Far Hills Race Meeting is about more than the thrill of competition. It is about making a difference.

Every ticket purchased, every wager placed, and every partnership formed helps support vital healthcare and community initiatives throughout our region. Together, we have raised more than $22 million, helping make a lasting difference in countless lives. This year, your generosity will benefit the Robert Wood Johnson University Hospital Somerset, Bonnie Brae, Crossroads4Hope, Community in Crisis and LifeCamp. Through these organizations, the impact of this day reaches far beyond Moorland Farm and into the communities we are proud to serve.

We are also deeply grateful to Open Road Auto Group, whose steadfast support for more than four decades has helped make this event what it is today. The enduring commitment of Rod and Dianne Ryan to both our mission and the cherished traditions of the Far Hills Race Meeting has elevated our ability to serve others and preserve this remarkable event for future generations. Open Road Auto Group will forever be a valued member of the Far Hills Race Meeting family.

The excitement of the Far Hills Race Meeting also extends well beyond Moorland Farm. Through our ongoing partnership with NYRA and FOX Sports, viewers across the country can experience America's premier steeplechase event as part of America's Day at the Races.

As the Far Hills Race Meeting continues to grow, so do the ways to experience race day. We are excited to welcome guests back to The Hunt Club, which has quickly become a popular all-inclusive hospitality experience featuring food, beverages, music, games, and rail-side views of the racing action.

We also encourage you to explore everything Moorland Farm has to offer. Visit Vendor Village to discover an exceptional collection of local merchants and artisans, and be sure to stop by our food truck offerings for outstanding local flavors. Whether you're cheering from the rail, gathering with friends, or simply taking in the atmosphere, we hope you'll savor every moment.

Thank you for your support, your generosity, and for being part of this extraordinary tradition. Enjoy the races, and here's to another unforgettable day at the Far Hills Race Meeting!

Sincerely,
Guy J. Torsilieri & Ronald A. Kennedy

FAR HILLS RACE MEETING

A TRIBUTE TO CATHE BUSACK

The Far Hills Race Meeting Association mourns the loss of Cathe Busack, who passed away on February 26th, 2026.

Cathe was a beloved wife and friend, as well as a role model for many who knew her. Born in Rochester, NY, she grew up in Olean, NY where her lifelong love of horses began as a teenager when she first rode the horse of a childhood friend. After graduating from SUNY Buffalo with a degree as an Occupational Therapist, Cathe moved to New Jersey, primarily for the horse culture and a job at the Matheny School.

In January of 1981 she married Ben Redditt, a partnership that flourished for over 45 years. Ben reminisced about one of their favorite shared memories: a moonlit winter horseback ride together through freshly fallen snow.

Cathe was an excellent rider who participated in amateur equestrian eventing throughout her life. She took every opportunity to be around horses, including grooming them and teaching riding lessons to those with disabilities at Somerset Hills Handicapped Riders, now called Mane Stream, an Equine Assisted Services (EAS) program. Cathe was a devoted and instrumental member of that first EAS organization in NJ.

Cathe first went to the Far Hills Races as a volunteer for Somerset Hills Handicapped Riders in the 1980's, selling merchandise to support their mission. In the late 1990's, Cathe and Ben began volunteering for the races. Cathe was a race volunteer for over 20 years, always willing to chip in wherever she was needed. On race day she could usually be found helping in the officials' tower, where Ben continues to volunteer annually.

Cathe had many exceptional attributes. She was a gifted Occupational Therapist, helping whomever she could. She was also a beloved nanny to two different sets of siblings, caring for them for years and cherished by them and their parents as a family member. Cathe had a broad scope of interests; she participated in various re-enactment activities and was a member of the Society for Creative Anarchism for many years. She also greatly enjoyed 18th century colonial dancing.

Cathe is survived by her loving husband Ben, many friends and the adult siblings she once nannied and cared for as children. The Far Hills Race Meeting Association is extremely grateful to Cathe, for her countless hours of volunteering and the tremendous impact she had on so many individuals and her community. In a beautiful, final act of generosity Cathe remembered the Far Hills Races with a charitable bequest.

THANK YOU CATHE, OUR DEAR FRIEND, FOR EVERYTHING.

We've helped the biggest brands in the world think outside the box.

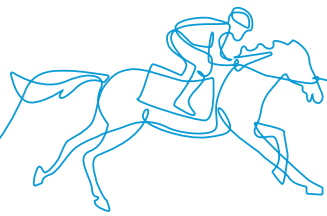

Now we're helping them think inside the box.

When people turn to ChatGPT, Gemini or Claude, they don't get ten blue links.

They get one authoritative answer.

Coyne PR helps your story earn that answer through our Generative Engine Optimization framework, which evaluates real-world queries, analyzes language patterns and assesses audience behavior to understand how LLMs source and surface answers. We turn those insights into a clear strategy for owned content, earned media and third-party influence, strengthening the signals that help you show up in the answer box. CARING ABOUT THE COMMUNITY

At The Far Hills Race Meeting, tradition isn't simply about bringing family and friends closer together, it's about being a vital part of the community and lending a helping hand. Over the years, with the help of our sponsors, we have raised more than $22 million for local health care initiatives, including medical care and cancer treatment, supporting at-risk youth and serving children and adults with intellectual and developmental disabilities.

HERE'S HOW THE CHARITIES WE SUPPORT PLAN TO USE FUNDS RAISED FROM THIS YEARS RACE:

RWJBarnabas HEALTH | Robert Wood Johnson University Hospital Somerset

Robert Wood Johnson University Hospital Somerset: The Far Hills Race Meeting Association donation through the Somerset Health Care Foundation, the hospital's fundraising arm, will enable RWJUH Somerset to continue to provide Steeplechase Cancer Center patients with comprehensive cancer treatment within a calm, compassionate and patient-focused environment while providing solutions for the unique challenges cancer patients face. Funds will be used to support patients in active treatment with expenses such as groceries, medical and utility bills, Paxman cooling cap services to help prevent treatment related hair loss, and items like mastectomy bras and compression sleeves.

CiC For Prevention And Recovery

Support from the Far Hills Race Meeting Association enables CiC for Prevention and Recovery to improve the lives of thousands of people in Somerset County. Recovery does not end when treatment ends; people need connection, purpose, and ongoing support. Each year, through CiC's Community in Connection programming, participants throughout Somerset County engage in recovery-friendly social, recreational, wellness, and community activities that reduce isolation and build relationships. Thanks to FHRMA, recovery becomes an opportunity to belong, reconnect, grow, and thrive

Crossroads4Hope®
Taking On Your Cancer Journey. Together.

Crossroads4Hope: A grassroots organization founded 24 years ago in Bedminster, New Jersey, Crossroads4Hope is dedicated to ensuring no one faces cancer alone. With generous support from the Robert Wood Johnson University Hospital in Somerset - Far Hills Race Community Partnership, CR4H offers free, in-person and virtual, educational, support, and empowerment programs and resources for all people impacted by cancer – those diagnosed and survivors, their families, and caregivers. "Once cancer is part of your life, so are we."

Bonnie Brae

Bonnie Brae: A 24/7 residential treatment center and special education school will use funding from Far Hills Race Meeting to support integrated health and wellness training and education for the youth we serve. The partnership will also support our Family Resource Center and help us to empower youth and families to achieve small victories every day through comprehensive care and education.

LifeCamp

LifeCamp: A summer camp serving underprivileged children from greater Newark – will use funding from Far Hills Race Meeting to fund the LifeCamp infirmary and its aquatics program. LifeCamp serves 300 children a day, offering 90 minutes of pool time a day. Many inner-city children suffer high rates of childhood obesity, and swimming is an ideal activity for both recreation and exercise.

If you or someone you know has been impacted by cancer, we are here to help.

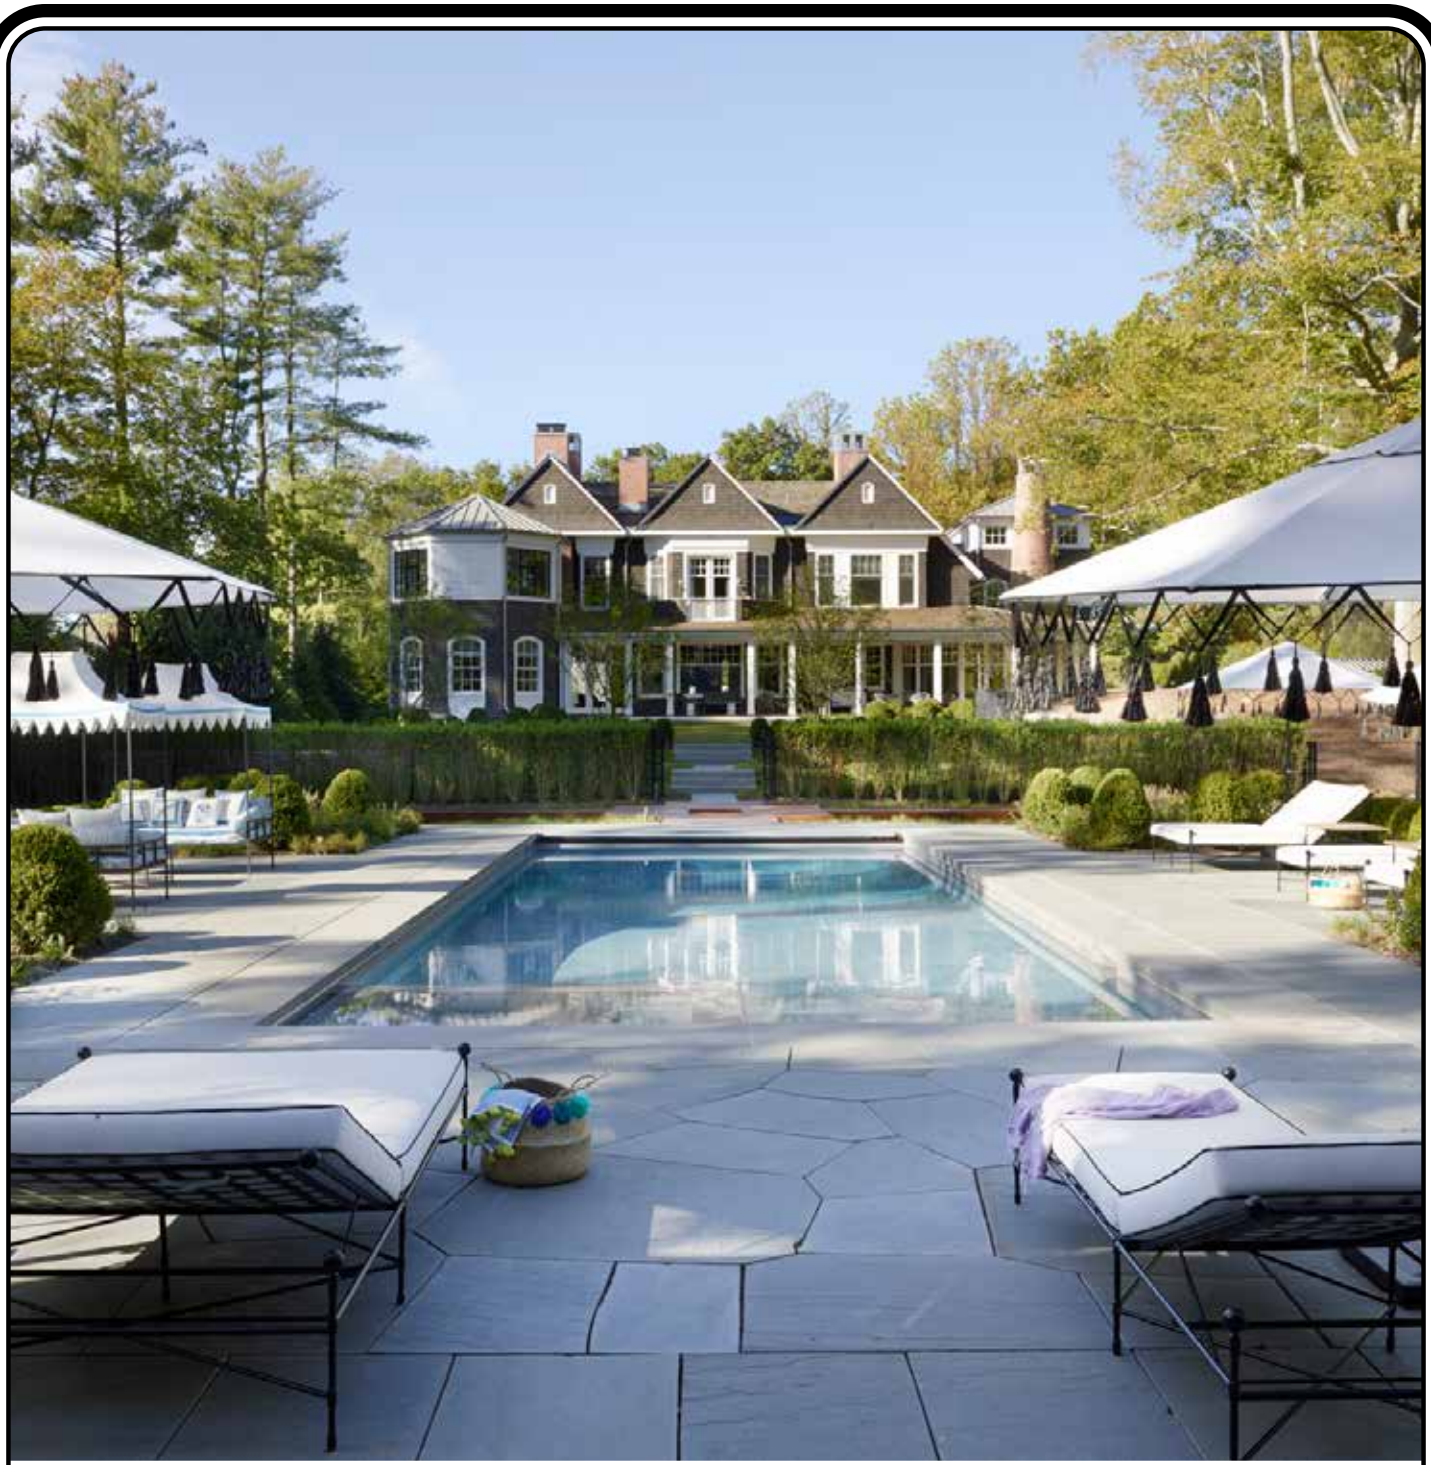

Crossroads4Hope®
Taking On Your Cancer Journey. Together.

For more than 20 years, the Far Hills Race Meeting Association has helped make that support possible.

As Crossroads4Hope celebrates 25 years, we continue to provide free support, education, nutrition, and wellness programs to people with cancer, their families, and caregivers.

Thank you, Far Hills Race Meeting Association, for helping ensure no one faces cancer alone.
